President's Vote of Thanks to Mezzaria Flat Buyers Welfare Association Annual Body General Meeting on 12.07.2025

Good morning, esteemed members of the Mezzaria Flat Buyers Welfare Association. It is an honor to address you at this Annual General Body Meeting. Our Association was founded with a shared vision to make Mezzaria the finest place to live, driven by necessity and a collective commitment to excellence.

The strength of our Association lies in the unity and unwavering support of its members. While we have not initiated legal action against Nexgen as an Association, the success of individual members who have pursued and benefited from such actions speaks volumes about our collective resolve. These achievements are a testament to your dedication to improving our community.

It is noteworthy that whenever we engage with the Noida Authority on matters concerning our welfare, Nexgen takes immediate notice, often responding with its own campaigns. This underscores the influence and impact of our unified efforts.

I must acknowledge the remarkable contributions of the Jhamb family—Captain Jhamb and Meenakshi ji—for their tireless work in gathering critical information through various channels, including RTI, and maintaining the Mezzaria website, maintain accounts, facilitating closing of IDFC Bank Account at Sector and opening fresh account in nearby Axis Bank, Sector 78. Their selfless dedication has significantly advanced our Society's welfare.

I also wish to commend Ramakant ji for his exceptional expertise and effort in ensuring that our Association remains fully compliant with all relevant regulations, leveraging his personal and professional skills.

Special recognition goes to Suneal ji for his outstanding leadership in steering this Association with vision and purpose. His guidance has been instrumental in our progress.

Shri Rahoul Mundra from Ferrara, Shri HK Shrivastava from Siena and Shri Pradeep Jain from Mantova have joined the Governing body as Executive Member. This will make the Governing Body more broad based as these towers were not represented in the Governing Body.

I would also like to thank all members for sparing their valuable time, effort and insights and for making this AGM a success.
